The draft Waterfront Masterplans have been prepared based on community consultation and feedback on the Concept Plan Discussion Paper. A final Waterfront Masterplans report will be prepared based on feedback and consultation of the draft. ## SOCIAL INCLUSION STRATEGY FEEDBACK INVITED

Council is inviting members of the community to provide their feedback on the draft Social Inclusion Strategy. The Social Inclusion Strategy 2019-2023 aims to achieve the goal of an inclusive community where people feel valued and part of everyday life. The Social Inclusion Strategy aims to reduce barriers for groups most at risk of being excluded from our community. As part of the development of the strategy, Council asked residents, service providers and Council staff their thoughts about being included in our community, and how inclusion in our Shire could be improved. Copies of the Social Inclusion Strategy can be inspected at Cohuna and Kerang Council Offices, or online via [www.gannawarra.vic.gov.au/Council/Public-Notices](http://www.gannawarra.vic.gov.au/Council/Public-Notices). Feedback regarding the strategy must be submitted to Council in writing via Kerang and Cohuna Customer Service Office or by email to [council@gannawarra.vic.gov.au](mailto:council@gannawarra.vic.gov.au). The strategy will be open for feedback until 5pm on Friday February 1, 2019.

## MAYOR'S MESSAGE

As we commence a new year, I hope that 2019 will see the better profitability for our farming community. It would be great to see improved commodity prices, better water security for our irrigation farmers and a good early rain event, and continuing rain, for our dry land farmers. I again encourage everyone to continue to 'shop local' and support small businesses across our Shire.

It is pleasing to have so many visitors and families in our local caravan parks and camping on our rivers and lakes over the holiday period. We hope you have enjoyed your time in our Shire and we welcome your return in the future.

As we experience high summer temperatures, I encourage you to drink plenty of water, plan your day and seek cool areas, such as our local

pools and libraries. Remember to check in on elderly neighbours to ensure they are comfortable. Don't forget your pets and leave some water out in your garden for wildlife. Also remember to pick up and bag fallen fruit. Leave in the sun and then bin to reduce fruit fly in our area.

Council is bringing a number of exciting theatre performances to our communities during 2019. Visit [www.gsc.vic.gov.au](http://www.gsc.vic.gov.au) for dates and details and be sure to write these in your diary. The first performance is Shakespeare's 'A Midsummer Night's Dream' showing at Lake Meran on January 17. See you there!

I look forward to the challenges and success of 2019.

Kind regards,  
Mayor Lorraine Learmonth

## CALICIVIRUS RELEASE

Council will be conducting a release of the Calicivirus (RHDV K5) shire-wide commencing mid to late January 2019 dependent on suitable weather conditions. The wild rabbit eradication program is supported by the Victorian Government's Roadside Weeds and Pests Program 2017-2019. This is the same strain of Calicivirus that was released early in 2017 as part of a nation-wide effort to control wild rabbit populations. While the virus is already in the area, residents with pet rabbits are reminded to check that their pet rabbit has been vaccinated prior to the release. Even if your pet rabbit has been vaccinated in the past effectiveness wanes over time and the release of RHDV1 K5 will result in a higher concentration of Calicivirus in the area. Please contact your local vet for more information on vaccinating your pet rabbit.
