

# GANNAWARRA CARES

Take time to connect with your community....

February 2020

## MAYOR'S MESSAGE

Our thoughts are with communities across Australia that have been severely impacted by bushfires throughout summer and I thank Gannawarra community members who have contributed to the relief and recovery efforts underway to support people in need of our assistance. The rollout of projects and works supported by the Federal Government's Drought Communities Programme – Extension has started. These projects will benefit communities across the Gannawarra with \$2 million of projects, programs and events taking place prior to 31 December 2020.

Kind regards,  
Mayor Lorraine Learmonth

## Resilience Grants Program Updates

Many wonderful community projects have been funded through the first two rounds of the Gannawarra Community Resilience Grants Program.

Lake Charm, Quambatook, Cohuna, Koondrook and Kerang communities all enjoyed time together at Christmas at New Year's Eve gatherings and street parties. The Cohuna Combined Churches have also established a bi-monthly Ladies Breakfast. The breakfast kicked off in December 2019 at The Elm Tree Nursery Cohuna where 50 ladies came together to share stories and reflect on what makes them happy!

Other projects will be profiled throughout the year as they are completed.
