## KINGS PARK, COHUNA UPGRADE CONTINUES

Improvements to Kings Park, Cohuna are underway, with the recent installation of a basketball half-court a major milestone.

Council and the Lions Club of Cohuna engaged with various community groups and residents during the final months of 2020 to determine how Kings Park is utilised and what improvements can be made to help make the park an inviting location for families .

These discussions led to the current improvements, with the upgraded park to feature expansion of the current playground on the Belmont Street side, new garden beds, increased seating options and the installation of stepping logs to cater for families visiting the park.

## KOONDROOK ALL ABILITIES PLAYGROUND

Construction of the Koondrook All Abilities Playground is on track for completion at the end of the month.

Constructed on the site of the former Koondrook Memorial Hall, the playground will be a space where people of all ages and abilities can interact.

Once completed, the Koondrook All Abilities Playground will feature elements that are prominent in many popular all-abilities play spaces, including a flying fox with an accessible harness, timber swings featuring accessible harness seating, an accessible carousel and in-ground trampolines. Tactile features, including water and sand play areas, as well as shaded seating, will also feature.

The \$520,000 Koondrook All Abilities Playground is supported by a \$390,000 grant from the State Government's Regional Infrastructure Fund.

Kerang residents, Joe and Beryl Tartaglia are reaping the sweet rewards of their efforts to control Queensland fruit fly in their garden this year. These include hanging traps to monitor fruit fly, keeping their trees at a manageable height, using protective insect nets, and being vigilant in picking up and disposing of any fallen fruit.

If you too want beautiful fruit next year, head to the Greater Sunraysia Pest Free Area information stand, which will be located in Victoria Square, Kerang on Friday, 11 June 2021. Tricia Witney, a Queensland Fruit Fly Community Support Officer, will be there from 9.30am to 3pm. For more information, visit [www.pestfreearea.com.au](http://www.pestfreearea.com.au)

**DON'T  
TAKE THE  
RISK THIS  
SEASON**

**GET THE FLU VACCINE**

## 2021 INFLUENZA IMMUNISATION PROGRAM

The annual Influenza immunisation program has now commenced across the Gannawarra.

Behaviours such as increased hand washing and physical distancing helped to stop the spread of flu viruses last year. Relaxing restrictions this year may allow flu viruses to recirculate.

You can access flu vaccine through your local medical clinic, pharmacy or by making a booking with Council's Community Health Team on (03) 5450 9333 or visit [www.gsc.vic.gov.au/immunisation](http://www.gsc.vic.gov.au/immunisation)

Please note that local government is not involved in the COVID-19 vaccine roll-out, however a 14-day separation between getting a flu vaccine and a COVID-19 vaccine is required. Given this, it's important to plan both vaccinations.
