MAYOR'S MESSAGE

On Thursday we opened the new look McCann Crescent Park. This included a special tribute to Uncle Lloyd Murray for his contribution to the ReSpark the Park project and his dedication to the young people of Kerang. I would like to acknowledge all who contributed to the project and thank the community for coming out to support the opening. The new look park now offers a vibrant and inviting space for children and families to gather and play, and I know it will be greatly enjoyed by local children into the future.

Make sure you join us on Tuesday October 9 in Kerang to raise awareness for Mental Health and Wellbeing in our community. Our Mental Health Heritage Walk of the

Kerang CBD will begin from the front of Kerang Primary School at 9.30am and is a great way to get to know more about the heritage of Kerang, connect with locals and take in some fresh air!

This month we celebrate Seniors Festival. The main events on the Gannawarra program are a Spanner Man Bus Tour, Seniors Day Out, Seniors Expo and Library High Tea at Leitchville. Senior's I encourage you to join us for a guided tour around John's sculpture gardens in Boort on Monday October 15.

John makes the sculptures by welding together antique through to modern day spanners. There are over 25 life sized sculptures in his garden, this is sure to be a great day out!
