

Goals

Goal 1. Liveability

Enhance the wellbeing and liveability of the Gannawarra through creative infrastructure and services

1. Improve the health, safety and wellbeing of our community through partnerships, services and programs.
2. Build unique transformational infrastructure that enhances liveability and passive and active recreation.
3. Construct a regional community wellbeing centre.
4. Respond to key community needs through innovative, commercially focused services including aged care and early childhood services.

Goal 2. Growth

Grow the Gannawarra through a diverse and broad economy

1. Facilitate infrastructure, programs and policies that support economic development and productivity, whilst considering our natural environment.
2. Facilitate the implementation of new energy infrastructure and energy projects.
3. Advocate for improvements in digital connectivity and services.
4. Support the creation of destinations in the Gannawarra to attract visitors to our region.
5. Continue to support existing agriculture and facilitate diversification to improve regional productivity through sustainable planning.
6. Support growth through land rezoning for future rural residential development opportunities.

Goal 3. Sustainability

Achieve long-term financial and environmental sustainability

1. Generate additional revenue through new energy infrastructure and commercially viable services.
2. Carefully monitor expenditure to ensure value for money and monitor long term financial plan to maintain financial sustainability.
3. Be a creative employer of choice through our adherence to good governance and our inclusive culture.
4. Support community resilience through climate adaptation, clean energy, environmental sustainability and waste management programs.
