

# COVID-19 TESTING

## Screening and Assessment Clinic

Anyone who has any symptoms, no matter how mild, such as a runny nose or scratchy throat, should stay home and get tested. Even if you've been vaccinated, you should still get tested.

**If you feel unwell, do not go to a vaccination centre. Get tested!**

### STEP 1 – PHONE FIRST

Call the NDCH hotline to discuss your symptoms.  
Monday to Friday

### STEP 2 – SWABBING CLINIC

Testing is available by appointment only, in Kerang (and other sites as required).

Monday to Friday – call for a time to have your swabbing done

**Having a test is free.**

This is **NOT** a standard Medical Clinic service. Walk up appointments are **NOT** available. **You must phone first.**

### STEP 3 – STAY HOME

After your test, you must stay home until you get your test results back.

If you have symptoms and are unable to travel, Gannawarra Shire Council is providing a transport service to any testing clinics held in Gannawarra townships. Please call 5450 9333 for this service.

Vaccinations are now widely available for all eligible people, including booster shots. Check NDCH Facebook and community newsletters for local vaccination clinics.
