LITTLE STREET LIBRARY

'Give a book, take a book, share a book'

Gannawarra Library Service has installed a Little Street Library at the Kerang Railway Station.

The Little Street Library which was built by Brian Moore and the Kerang Men's Shed will provide a range of free books and magazines for travellers. The Gannawarra Library Service will ensure that the Little Street Library is regularly stocked and encourages the public to donate books to the street library as well.

The Street Library concept has taken off all over the world and it is estimated that there are 40,000 street libraries in more than 80 countries.

Street libraries are a brilliant place to donate, browse, borrow and share books.

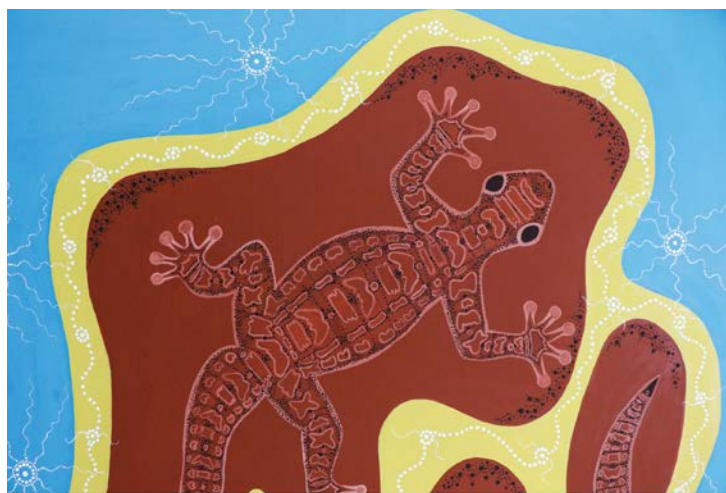

MAYOR'S MESSAGE

Make sure you check out our new Little Street Library at the Kerang Train Station next time you are travelling. The street library is stocked full with books and magazines that you can take for free on your journey. This is such a wonderful concept that promotes reading, sharing and recycling. If you have any old books at home you can donate them directly into the little street library or take them to the Kerang Sir John Gorton Library. The Kerang Men's Shed has done a fantastic job of building the library! Coming up on May 25 we have the funny, provocative and sensitive show *Lovely Lady Lump* performed by comedian Lana Schwarcz. Lana was diagnosed with Breast Cancer in 2014. I encourage both men and women to go see the show. Lake Charm Hall is a small intimate venue so make sure you book quick. Tickets for this must see show are selling fast!

Today is the first of the FREE NDIS information sessions scheduled over the next month. Council have partnered with Carers Victoria to deliver these sessions which will help carers to understand what the NDIS is, who is eligible and how to prepare. The sessions are available for people living with a disability or for those caring for a child, family member or friend with a disability who may qualify for the scheme. Bookings and further information is available via Council's Community Care Department.

WORLD WAR ONE PHOTOS NEEDED

Gannawarra Shire Council is calling for local residents to submit their family's World War One photos to the **Beyond the Battle Project**.

The project will result in a documentary style film and digital honour roll which will show at the Kerang Memorial Hall on Remembrance Day 2018.

There are many service men and women we still need photos for and we encourage Gannawarra Shire residents to submit photos of their relatives during the war.

All research data collected for the project, including images and documents, will become permanent record and publicly accessible through the Gannawarra Library Service.

Further information on the Beyond the Battle Project including a full missing photo list can be found on Council's website www.gsc.vic.gov.au

Photos can be emailed to kristie.dean@gannawarra.vic.gov.au or dropped into the Kerang Library for scanning.
