MAYOR'S MESSAGE

Last week it was announced a number of new solar and wind farms, including a solar farm at Cohuna will be built in Victoria as part of the Andrews Victorian Government renewable energy target. It is hoped with the construction of new solar and wind farms, Victorian homes and businesses will start to see the benefits of reduced power prices. The Cohuna solar farm will also create a number of employment opportunities and will be a major boost for the local accommodation, retail and construction sectors. Around 87,000 solar panels are to be installed at the Cohuna solar farm, and work is set to begin in the first half of 2019. This is another positive step forward in diversifying the Gannawarra

economy.

With the school holidays quickly approaching we have some wonderful events planned across the Shire including a Superhero themed Library Program, the hilarious 3 Speed Crunch Box performance and the opening of the new look McCann Crescent Park. Local children had the opportunity to draw their ideal park which included swings, a half basketball court, shade, somewhere to ride their bikes.. and no prickles! I encourage families to come to the park opening and enjoy the new play equipment and space. There will be free wood-fire pizzas and a basketball competition with prizes to be won!

3 SPEED CRUNCH BOX

The world-touring, crazy stunt people from Dislocate are coming to Cohuna with their show, 3 Speed Crunch Box. In this hilarious story of a family of outlandish stunt people, expect impressive aerobatics, spectacular circus tricks and even more absurd characters. Suitable for the whole family! Come along and have a laugh these school holidays. The cast is also holding an Acro balance workshop after the show!
