

MAYOR'S MESSAGE

It was fantastic for my fellow Councillors and I to gather with the community on 26 February to officially open the \$3.4 million Cohuna Waterfront Development. These works have transformed Cohuna, providing additional places for residents and visitors to gather, socialise and enjoy the town's attractions.

Council thanks the State and Federal governments for supporting this project, and all who played a role in making this vision a reality.

Kind regards,

Mayor Charlie Gillingham
