MAYOR'S MESSAGE

Council is currently working with renowned civil engineering and surveying firm, Maker ENG to develop the Kerang Stormwater Drainage Study.

To assist with the development of this important document, we would like to hear from you about locations that have been impacted by previous stormwater or drainage-related flooding. This can be done by completing the Kerang Stormwater Drainage Study resident feedback survey, which is available from Council's Kerang Customer Service Centre or online at www.gsc.vic.gov.au/stormwater

Kind regards,
Mayor Garner Smith
