

MAYOR'S MESSAGE

It has been fantastic to see the community unite as we endure the flood emergency impacting the Gannawarra. It is important to note that our communities are at different stages of the emergency – be it cleaning-up efforts, waiting for the water to subside or working to protect their properties. Please continue to be kind to one another and, where possible, support our local businesses operating at this time.

Our thoughts are also with those who have suffered losses during these devastating floods. Help is available, which you can find at www.gsc.vic.gov.au/floods

Kind regards,

Mayor Charlie Gillingham
