MAYOR'S MESSAGE

Today we officially open the Leitchville Community Garden, a new shared space for community and visitors. I invite you to join us at 2pm behind the Leitchville Rural Transaction Centre to celebrate. Light refreshments will be provided and all are welcome to attend.

Coming up across Gannawarra are some great community events including The Big Cohuna Festival, Kerang RSL 100 Year Celebration, Remembrance Day Services, Beyond the Battle Project Finale and Groove on the Green. I encourage you to go along and support our local community events this November.

In preparation for the Victorian Government's e-waste ban to be introduced on 1 July, 2019 two sites in the

Gannawarra Shire have been selected to receive upgrades as part of the Victorian government \$15 million commitment to upgrade more than 130 e-waste collection sites across Victoria.

Transfer stations at Kerang and Cohuna were selected by the Victorian Government to receive upgrades based on their population and accessibility to nearby smaller towns.

The upgrades will mean that all e-waste including any item that has batteries, a plug or cord will be able to be recycled. To help further reduce landfill, Lalbert Transfer Station has received a new recycling trailer while the Quambatook Transfer Station has seen improvements to accommodate waste and recycling.
